

The Venture Out Project

Winter Hut Gear List

Personal Gear			
Item	Notes	Have	Need
Backpack	Minimum 3500 cu in. (cubic inches) / 55L (liters)		
Sleeping bag	0 degree bag		
Sleeping bag liner			
Headlamp	Bring extra batteries		
Sunglasses w/ strap	Extra important for the snow!		
Bandana/Camp towel	Great for sweat and other stuff		
Water Bottle	2 Liters - Nalgene style water bottle. Must have screw top. Double as hot water bottles at night. Please no Camelbacks.		
Toiletries	Toothbrush/paste, contacts, medications etc.		
Insurance card			
Clothing			
Winter shell/Rain Coat	Waterproof jacket. A shell is preferred over insulated winter jacket due to heat. Wear over puffy layer.		
Lightweight snow pants/Rain pants	Great for skiing & hiking, also can keep you warm at night.		
Fleece jacket/sweater	NO COTTON - fleece is highly recommended, wool is good too		
Down/puffy jacket	Insulating layer		
Neck warmer/buff/scarf			
Non-cotton t-shirt	Skiing or hiking if it's nice out		
Non-cotton underwear			
Long underwear top and bottom	Bring extra set if you tend to sweat a lot		
Cozy clothes to hang out in	sweats, pjs, leisure wear (Cotton okay!)		
Hiking socks	NO COTTON- 3 pairs		
Winter Hat	Bring 2		
Gloves or Mittens & liners	Gloves will get wet (liners are thin and dry fast)		
Waterproof boots	No low-cut or summer boots		
Camp Shoes/Slippers	Keep your feet warm at night, and keep snow out of hut.		
Optional Items			
Inflatable Pillow	Extra comfort!		
Gaiters	These typically come in 6" or 12" inches.		
STP	This is optional, but we love the P-Style. (We sell them, let us know if you'd like to buy one)		
travel coffee mug/thermos	hot drinks/hot water bottles at night		
Journal and Pen			
Games/Book	Bring your favorite travel sized game!		
Bring these items for after the trip (back in town /airport)			
Clean clothes	You'll appreciate something dry and warm!		
Toiletries	ex: brush, deodorant, shaving stuff		
Cash	Post-trip brewery/restaurant/TVOP Merch
